Miss Bernice Lloyd for the P. T. A. program, was repeated for the February assembly for the school. The pupils in the rooms of these teachers took part in the play. The birthdays of Washington, Lincoln, Longfellow, Daniel Boone, and Thomas A. Edison as well as Valentine day were all portrayed by characters dressed in costumes of the times.

Norman, Muriel Alverson and Arlys Fossum, Donald Hyde and Martin Pressgrove have just received instruments from the orchestra department and have begun the study of the same.

The school will hold a paper drive Friday and all contributions of papers and magazines will be appreciated.

The fifth grade in Miss Madeline Murphy's class of English are giving a Longfellow program Friday afternoon. They are choosing the poems which are their favorites.

JUNIOR PLAY SETS RECORD

Larger audiences than ever before attended a High school play greeted the Junior class's production of "The Ghost Bird" at the High school auditorium last Friday and Saturday evenings. The four-act comedy-drama was the most finished play ever presented here and considerable credit is due Miss Inglis for her fine directing.

The cast also deserves mention for the work it members put into the play. The following are the students who took part in the play: Edw. Wood, Hartley Cooke, Lawrence Stevenson, Elmer Riley, Norman Hudson, Van Bartchicko, Melvin Lockhard, Virginia Turner, Margery Koelofs, Ruth Wilhelm, Isabelle Burdick and Bertha Hinman.

Merchants Win Nineteenth Game

LOMITA.—Lomita Merchants won their nineteenth game Sunday when they defeated Jack Fullerton's All Stars of Long Beach by the close score of 3 to 2, the score being a tie at the end of the eighth inning.

Jim Ault pitched for Lomita, striking out fourteen men, while Salverson and Buxton, pitching for Long Beach, only struck out seven. Lomita has only lost two games this season. Sunday's game was a benefit for the chamber of commerce and the bleachers and every bit of parking space was filled.

"Say, Folks you are on the right track—get your gardens in and have something good to eat!

"Many are re-decorating their homes. I wish you could go and see the fine job Mrs. J. S. King has done in her house—and many others, of course, have done the same. They are all using SHERWIN-WILLIAMS PRODUCTS, too."

FIVE EVENTS UNDER WAY AT HIGH SCHOOL'S GROUNDS

Track Schedule is Released; First Golf Team Practicing; Tennis Squad Reports; Baseball Held Up

If the sports situation at Torrance High school is any indication—it is spring here right now. Track, baseball, tennis and golf are occupying the spotlight at the local institution. Principal Herbert S. Wood and Coaches Earl Fields and Raymond Smith outlined this week the schedules for the spring athletic program.

Track and field events are in rehearsal in preparation for the 10 meets in which Torrance will be entered. Here is the complete track schedule:

Torrance at Louisinger, tomorrow, Friday, February 27. Torrance at South Gate, Wednesday, March 4. Amateur Athletic Union meet at Long Beach, Saturday, March 7. (Torrance will enter its four-man half-mile relay team and its half-mile middle team in this meet.) El Segundo at Torrance, Friday, March 20. Torrance, Washington, and Narbonne in a triangle meet at Narbonne, Friday, March 27.

Finals at South Gate. Torrance at Banning, Friday, April 10. Gardena, Jordan and Torrance in a triangle meet here, Thursday, April 16. Marine League preliminary meet for Classes A and C men at South Gate, Tuesday, April 21. (The Class C finals in the broad jump, high jump, pole vault and shot-put will be run off at this meet.) Marine League finals in Classes A and C, at South Gate, Friday, April 24, in which all track finals will be run off.

Friday, May 1. Class B, qualifying meet for Southern California at Washington High school, Saturday, May 9, preliminary meet for Classes A, B and C at the Los Angeles Coliseum and Saturday, May 16, Southern California preliminary in all classes at the Coliseum. (Note: the dates and place for the latter two events have not been definitely fixed but are about certain to be chosen.)

The State track meet will be held at Visalia on Saturday, May 23.

Junior Olympics. Last week the Inter-Class track meet was held at the High school for some time next week, Smith hopes to make a good showing in the Junior Olympic contests but laments the fact that he has had

Golf is being scheduled at the Torrance High school this year for the first time in the history of the institution. Fields is taking his players to the Palos Verdes course every Friday for practice. The golf team will play whatever schools in the Marine League have taken up the links sport. Paul Sleppy is entered in the Long Beach tournament, and can break 80 consistently, according to Fields. Joe Disario plays slightly above 80 and Harry Putnam, Norman Barck, Wilfred Tidman and Bob Atchison are entered.

Baseball Postponed. A postponement of baseball practice for two weeks was ordered by the coach last week in order that the national sport may not conflict with the track and field work-outs. Fields has about 25 boys out for the team and plans to try every boy who has shown the interest in coming out for baseball in all positions in order to find a good working combination.

Narbonne Wins Triangle Meet

Torrance Osos Clean Up Foes

Win Three Games Straight Over Week-End

With their winning streak unbroken, the Torrance Osos cleaned up three teams over the Sunday and holiday this week. The Bears defeated the Columbia Steel boys in a practice game Sunday, 17 to 6, and rounded out a good day by setting down the strong Los Angeles Centrals by a score of 16 to 7. Jesus started for the Bears in the first game and gave way to Lupe Moje after five innings. Chabira pitched the whole route in the second game. Dave Molina contributed the longest hit during this exhibition, when he came through with a homer.

The fans were entertained between games and innings by the Pueblo orchestra.

On Monday the boys appeared in Wilmington where they came from behind in the seventh inning to defeat the Wilmington Tigers, 7 to 5, with Moje pitching. Next Sunday the boys will take to the Columbia Steel outfit, beginning at 11 o'clock, for a practice game, and the main show will be offered about 1:30 p.m., in a return game with the Tigers who are coming reinforced for the occasion.
